## Message from our President:

### **Annual Event Promises To Be An Exciting Event!**

Well another year is passing. Time seems to pass faster and faster all the time. We may need a research project to look into this phenomenon. I always look forward to the fall of the year because of the annual fall training event we provide to the membership. The seminars this year will provide an opportunity to examine one of the current hot topics in Project Management-Portfolio Management. We have partnered with Advisicon again this year to bring Ed Warnock and Tim Runcie, both very popular seminar leaders in the past. It promises to provide both theory and practice by two prominent leaders in the Project Management field. We have tried to maintain a quality event at a reasonable price so I hope to see all of you there.

On another note, this your last chance to contact me if you are interested in serving on the Willamette Valley PMI Board. We will be putting together the slate of Board candidates to present at the November luncheon meeting with the vote coming at the December meeting. If you would like to find out more information you can send me an email at [jadpmiww@comcast.net](mailto:jadpmiww@comcast.net). I will provide you a position description and any other pertinent information about the position. The open positions are VP Education/Professional Development, VP Finance, VP Membership, VP Programs, VP Information, and VP Special Projects. If you would like to earn PDUs but may not have the time to be a Board member we are always looking for people to help on special projects or assisting the Board member of a particular area. Contact me at the above email and let me know your interests.

Enjoy the beautiful (so far) fall.

*John A. Doan  
President, Willamette Valley Chapter of PMI*
